**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I have been with my carrier, Sonic, for many years. They have provided me with better service and support than ANY of the other BIG carriers (AT&T, COMCAST) ever did. Their prices are competitive, if not lower.

Having access to the internet at good rates and speed are essential to my work and home. As a former DSL user, Fiber has given me more options to what information I can get due to its faster speeds.

Keep internet prices and services competitive and fast.
